2. Introduction

- Our company has a short history as it's a new company in the field of mechanical engineering, started from October 2016. It is a sister company of JK Fabrication, BBSR, which is a well known company in the field of fabrication in Bhubaneswar.
- We are dealing in fabrication, erection, piping and mechanical equipment works.

3. Strategy

- **Vision :-**

Our vision serves as the framework for our Roadmap and guides every aspect of our business by describing what we need to accomplish in order to continue achieving sustainable, quality growth.

- **Mission :**

Our Roadmap starts with our mission, which is enduring. It declares our purpose as a company and serves as the standard against which we weigh our actions and decisions.

- To refresh the world.
- To build healthy working environment.
- To create value and make a difference in our field of work.

- **Values**

We always believed in respect for the people, integrity, quality, teamwork, leadership and value the client.

4. Worker, Staff, Management & Ownership

- Man Power

- Engineers : 02 Nos.
